Total No. of Cattle

Declaration (***including compulsory Food Chain Information***)

- **All cattle have been produced in accordance with the ABM standard, and have resided on farm assured holdings for no less than the last ninety days.**
- **All cattle supplied are identified by tagging and comply with current legislation and have been fully identifiable throughout their life.**
- **All cattle (**including bought in store cattle**) have completed any withdrawal period for Medicines.**
- **All hauliers must be ABM approved or part of the Farm Assured Haulier Scheme.**
- **All animals must meet the VION Group clean livestock policy, and I understand that any dirty animals will be clipped at my expense.**
- ***The holding* is / is not (circle) *under movement restrictions for Bovine Tuberculosis, or any other animal disease or public health reasons (excluding a 6-day standstill) .To the best of my knowledge the animals are not suffering from any disease or condition that might affect the safety of meat derived from them. No analysis of samples taken from the animals or other animals on the holding has shown that the animals have been exposed to any disease or condition that may affect the safety of meat, or to substances likely to result in residues in meat. Withdrawal periods have been observed for all veterinary medicines and other treatments administered to the animals while on this holding and previous holdings.***

If any of the above statements is not fulfilled, provide additional information on an attached document	**Additional Info if yes**	**Tick**	
I confirm that these animals have been on the last holding for at least 21 days.		**Tick**	
I confirm that these animals have been produced in the region marked above.		**Tick**
